Tryouts 2021

LEAGUE OVERVIEW

- Our Select Teams compete in the Grand Valley Soccer Association League (GVSA).
- Teams are formed for a seasonal year and remain together for both the fall and spring seasons.
- Teams are assembled based on birth year. Typically there is either 4 or 5 divisions per birth year for both boy and girl teams.
- A typical division will have 6-8 teams. Each team will play each other at least once for a total of 8 games per season.
- The Select teams are competing for season standings. The top two teams in each division typically advance to the next higher division the next season. The bottom two teams are typically relegated to a lower division. This ensures that, each season, the players are competing against other teams of similar skill level which will help maximize player development.
- Standings are recorded online at gvsoccer.org (Schedules, Results, Standings Tab).
- Each age level has roster minimum and maximum.

LSC SELECT TEAM POLICIES AND GOALS

- All positions will be open for all teams. Placement on a Select Team in a previous year does not guarantee being on that team or any other team for the 2021-2022 season.
- LSC encourages Select Teams to participate in tournament each season. The coach is responsible for selection and registration for tournaments. *Please note that tournaments are encouraged, but not mandated. This is left to the discretion of the coach. Occasionally, a coach will attend both tournaments in one season (Fall or Spring with no tournament in the other season)*
- It is our primary goal to assemble teams based on their birth year. There are exceptions that a player may be asked to play on a team higher than his/her birth year, pending the results of tryout evaluations. Parents will have the opportunity to help their child decide whether or not this would be acceptable.

- It may be necessary to form teams that encompass two birth years because we do not have enough players for a single year team.

SELECTION, REGISTRATION AND PAYMENT PROCEDURES

- All tryout participants will be notified whether or not they were selected for a team. The planned date is **June 21-22, 2021**.
- Player selection is based on performance at the tryout event. Volunteer staff evaluate each player; tryout players are given numbers and their tryout evaluations scores are recorded.
- The volunteers are persons selected by the Board based on their history with coaching youth and recognizing **aptitude** and **attitude**. Ludington Soccer Club expects its players to represent our club in both performance and sportsmanship.
- If you are selected for a team, you will be sent a link from GVSA & Ludington Soccer Club. Please follow these links to complete registration. All registrations are due **July 16, 2021**. If you do not have internet access, you will need to request a paper form by emailing ludingtonrecsoccer@gmail.com.
